CIRCULAR

Indian Space Research Organization (ISRO) is planning to conduct a special programme for school students called Young Scientist Programme (YUva Vigyani KAranyakram – YUVIKA)

The program is aimed at creating awareness about the emerging trends in science and technology amongst the youngsters who are the future building blocks of our nation.

The programme will be of around two weeks duration and the schedule will include invited talks, experience sharing by the eminent scientists, facility and lab visits, exclusive sessions for discussions with experts, practical and feedback sessions.

The selection will be done through online registration. The online registration is open from 3rd to 24th February, 2020 and proposed programme will be from 11th to 22nd May, 2020.

It is enjoined upon all the Heads of Govt./Govt. aided/unaided secondary schools in the state to bring content of this circular to the students of Std. 8th and currently studying in std. 9th and motivate them to participate in the young scientist programme.

School may visit at www.isro.gov.in and contact 080 23415269 for more details.

(Shailesh R. Sinai Zingde)
Dy. Director of Education (acad)
