To
The Principal,
Of all Govt. & Govt. Aided Higher Secondary Schools of Goa

Subject: Online lectures and practice tests for Std. XII Science students...

Sir/Madam

The Directorate of Education has created a link

https://docs.google.com/spreadsheets/d/1fLX9e0EWD_nN4FQHHoE3nvZajrHDpY1k7H-19xqhMBs/edit?usp=sharing

for collecting data of class XII students of science stream in Government and Government Aided schools who are interested in appearing for the competitive exams like NEET/JEE/GCET.

Directorate of Education will be providing free access to online lectures and practice tests to these students. The schools will enter the details of their students in their respective sheets as indicated by their UDISE codes.

Once the details are filled, students can get access to the free online lectures and practice tests.

Therefore, the Heads of all the Higher Secondary schools are instructed to communicate to all your Science stream students who are willing to avail the benefit of the online lectures and practice tests during this period.

Yours faithfully,

[Vandana Rao, IAS] [13/04/2020]
Director of Education
